Y. W. C. A. TO HONOR MISS DODGE'S LIFE

Memorial Services Tomorrow Will Familiarize Members With Work of Philanthropist.

Memorial services in honor of Grace H. Dodge, for whom the new Y. W. C. A. Hotel, now nearing completion at North Capitol and E streets is named, will be held at all local branch clubs of the organization tomorrow.

These services will be held primarily to familiarize the members of the association with the life and work of Grace Dodge, who died December 27, 1914.

She was the daughter of the late William E. Dodge, of New York, and a member of a family of philanthropists. When very young, she began the study of the problems of the girl in industry through a "Club for Working Girls," which met at her home each week.

Her work for active education began in 1890 with the formation of the Kitchen Garden Association, which later developed into the Industrial Education Association. She was the first woman appointed to the New York Board of Education, in 1898, and through her efforts while on the board the Teachers' College at Columbia University was founded.

In 1906 she was made chairman of the joint committee which perfected plans for the union of the International Board of the Women's and Young Women's Christian Association and the American committee. This committee later merged into the National Board of the Young Women's Christian Association, and Grace Dodge became its first president.

She was also an active worker for the American College for Girls in Constantinople, the National Travelers' Aid Society, the World's Student Christian Federation, and the Educational Committee of the Edinburgh Ecumenical Conference.

Special vespers services will be held in her memory Sunday evening at 5:30 in the Elizabeth Somers residence, 1104 M street northwest, and at 7:30 in the Blue Triangle House, Twentieth and E streets northwest. Miss Gertrude MacArthur, general secretary of the local Y. W. C. A., will speak at these services.

PATROLMAN STEWART, FOURTH PRECINCT, DIES

Patrolman Richard Stewart, colored, of the Fourth precinct, died last night at his home, 811 First street northwest, after a brief illness with heart disease. Patrolman Stewart was fifty-eight years old and had been a member of the Metropolitan Police force for twenty-five years.

He was a pastmaster of the John F. Cook Lodge, F. and A. M., and past high priest of the Simons Chapter of Masonry. Funeral services will be conducted by the Masons. A representative detail of police from the Fourth precinct will attend the funeral.

BOOTLEGGERS ENLIST AID OF MEXICAN BRIGADS

Mexican brigades are hired by American bootleggers to "shoot to kill" in the warfare on Federal "dry" law agents stationed along the Mexican border, according to reports of prohibition officials today.

American bootleggers, in league with the Mexican confederates, have terrified the handful of Federal "dry" operatives, and virtually put them to flight. Reports today said heavier whiskey imports from abroad, unloaded at Mexican Gulf ports are en route for the border, for the trade of American bootlegging rings. The liquor committee will consider these reports as practically all gateways are unguarded.

Prest-O-Lite STARTING & LIGHTING Storage Battery

Has your battery anything "On the Bench"?

THERE was once a Baseball Manager whose two star players looked inevitable—before the game. But then came the bottomless. . . . And the Manager Stopped the Bench in Dismay.

There are motorists who start out with a battery of no reserve power. And they can't start their cars when they need them most. They are shocked one day to discover that every time they turn the key the battery is "dead."

The Prest-O-Lite Battery has less than one-fourth the weight of its power-repairs for a single start—and the generator quickly replaces that.
